Re: United States v. Azeem Arif
20 Cr. 253 (NSR) -02

Dear Judge Román:

On October 7, 2020, Your Honor sentenced Azeem Arif. As Mr. Arif is now sentenced and has fully complied with all conditions of his pretrial release, we respectfully request that you authorize Pretrial Services to release Mr. Arif's passport.

Additionally, at sentencing the Court agreed to include Massachusetts and the entire State of New York as permissible travel during Probation. Mr. Arif had previously been granted extended travel to Connecticut and New Jersey during pretrial release and I inadvertently neglected to ask that those two states be included for Probation as well. None of these travel requests have ever been opposed by the Government. We request that the judgment of conviction include these additional states.

Thank you for your consideration.

Respectfully submitted,

Kerry A. Lawrence

The Court grants Defendant Azeem Arif's request and directs the Pretrial Services Dep't to return to his passport. Defendant Arif's request to extend travel to include the states of Connecticut and New Jersey is also granted. Clerk of Court requested to terminate the motions (docs. 66 and 67).
